SUBJ: Standard Form (SF) 3112, Documentation in Support of Disability Retirement Application

Your initial distribution, 100 copies each, of the December 1995 edition of the subject form will be arriving in the near future. We have just recently become aware of the existence of this new form. The SF 3112 contains the forms applicants for disability retirement from Federal civilian service need to complete. The form is to be completed by an employee who is covered by either the Civil Service or Federal Employees Retirement Systems. **Therefore, the SF 2824, SF 2824C, and SF 3105 are obsolete and should be discarded immediately upon receipt of the SF 3112.**

The SF 3112 will be stocked by the Department of Veterans Affairs (VA) Forms and Publications Depot for future ordering by quarterly requisition. Ask your station's publication/supply office to contact the VA Forms and Publications Depot if you have not received your initial distribution of this form within two weeks after receiving this flyer.

Questions about this flyer should be directed to your geographic area contact within the Customer Advisory and Consulting Group.
